# how to make my capital grow without risk?

Is my capital  
protected  
permanently?

Is my money  
available at any time?

Is my stated yield  
gross or net?

**AXA answers your questions  
and is committed!**

**Borea Invest 30 Neo**

d'Assurance / **nei erfannen**

## the other reflex for your savings

**Borea Invest** is an attractive insurance-savings plan that guarantees availability and transparency.

**Borea Invest 30 Neo** is intended first and foremost for savers preferring safety in the management of their capital by protecting the accumulated savings.

### Safety

#### Is my capital protected permanently?

Your capital is protected **permanently** from the very start and you can receive a bonus every year based on the results of the **Borea Invest 30 Neo**.

#### Maximum possible exposure in shares

Your capital is invested prudently, mainly in European State bonds and with maximum 30% as shares.

Regardless of the progress of these assets, your savings **are protected permanently** through the AXA Group guarantee.

### availability

#### Is my money available at any time?

Your capital is available at any time. You can **withdraw** or **pay in at will** <sup>(1)</sup>.

(1) Please consult the procedures and minimum buy-out amounts in the Financial Info Sheet on [www.axa.lu](http://www.axa.lu)

### transparency

#### Is my stated yield gross or net?

For greater transparency, the **Borea Invest 30 Neo** stated yields are **net of management costs**: these are the yields you actually receive.

**Borea Invest 30 Neo** is a new guaranteed **capital fund** that will reflect actual performances of financial markets.

For more information, please see the Financial Info Sheet [www.axa.lu](http://www.axa.lu)
