AXA comments on ACCC decision

AXA notes the Australian Competition and Consumer Commission’s (ACCC) decision to oppose National Australia Bank Limited’s (NAB) proposed acquisition of AXA Asia Pacific Holdings (AXA APH) and subsequent divestment of AXA APH’s Asian businesses to AXA.

AXA will review the ACCC’s reasons for its decision to reject the enforceable undertakings offered by NAB and AXA APH. AXA’s decision to enter into this transaction reflected AXA’s desire to increase its presence and allocate additional capital to the fast growing Asian region.

AXA remains fully committed to support the Australia and New Zealand businesses and will continue to review its options in the context of its growth strategy in Asia.
