> ISSUER

AXA, ICB sectorial classification:
- Industry: 8000, Financials
- Supersector: 8500, Insurance
- Sector: 8530, Non Life Insurance
- Subsector: 8532, Full line Insurance

> OBJECTIVE

As each year, the AXA Group offers to its employees, in and outside of France, the opportunity to subscribe to shares issued by way of a capital increase reserved to employees. In doing so, the AXA Group hopes to strengthen its relationship with its employees by closely associating them with the future development and results of the Group.

The 2015 offering, called "SharePlan 2015", will take place in 36 countries and will involve approximately 120,000 employees who will, in most countries, be offered the opportunity to participate in both a classic offering and a leverage offering. The subscriber’s initial investment in the leverage offering is guaranteed.

> SHARES TO BE ISSUED

- Date of the Shareholders’ Meeting having authorized the capital increase: April 30, 2015.

- Dates of the Board of Directors’/Chief Executive Officer’s or Deputy Chief Executive Officer’s decisions, acting upon delegation of the Board of Directors: June 19, 2015 (principle of the offering and fixing of the reservation period) and expected on October 21, 2015 (fixing of the Reference Price, the Subscription Prices and the dates of the retraction/subscription period).
• Type of share proposed, maximum number: pursuant to (i) the 20th resolution adopted by the Shareholders’ Meeting of April 30, 2015 and (ii) the decision of the Board of Directors of June 19, 2015, the offering will consist of the following:

- An issue, without preferential subscription rights for existing shareholders, of new shares offered at a Subscription Price equal to:
  - under the classic offering, for all countries: 80% of the Reference Price;
  - under the leverage offering, for all countries: 91.43% of the Reference Price.

The Reference Price will be equal to the arithmetical average of the 20 daily VWAPs (volume-weighted average prices), i.e. the arithmetic average of the average prices of the AXA shares exchanged in one trading day, weighted by the number of AXA shares exchanged for each price on Compartment A of Euronext Paris (excluding opening and closing prices), over a period of 20 consecutive trading days ending on the last trading day before the Chief Executive Officer or Deputy Chief Executive Officer, acting upon delegation of the Board of Directors of AXA, officially sets the opening date of the retraction/subscription period.

The initial personal investment of the employees subscribing to the leverage offering will be guaranteed by a partner bank (Société Générale) and the subscribers will be entitled to a portion of the share price appreciation with regards to the Reference Price (without discount).

- The maximum number of new shares that may be issued pursuant to the offering is 58,951,965 shares, corresponding to a capital increase of a nominal amount of approximately Euro 135 million.

- The new shares will be eligible for dividends declared in respect of periods as of January 1st, 2015.
